How to Earn Beyond Beaches & Blessings Starfish Rewards:

All orders need to be placed thru me to qualify.

- For every increment of \$50 you spend (excluding shipping, handling and sales tax), you earn a Beyond Beaches & Blessings Starfish. For example, a product order of \$49, would not qualify for a starfish. A product order of \$101 would qualify for two starfish.
- Separate orders may not be combined to earn starfish.
- One customer per tracking sheet.
- You are responsible for tracking your orders and starfish.
- Earn 10 starfish and redeem using the Starfish Rewards Form, found on my blog (www.beyondbeachesandblessings.com) in the drop-down menu under rewards for a current stamp set valued up to \$25.
- Stampin' Rewards/Host stamps and 50% Items are excluded.
- I'll review and confirm the Starfish Tracking Sheet you submit and send your FREE stamp set to you promptly.

Tulips expire after one year.
